

## RESOLUTION NO. 1834

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SOLEDAD  
REQUESTING THE CONSTRUCTION OF A SOUTHBOUND  
HIGHWAY 101 ON-RAMP BY THE STATE OF  
CALIFORNIA DEPARTMENT OF  
TRANSPORTATION

WHEREAS, the City of Soledad has only one Southbound Highway 101 On-Ramp to serve the Soledad community; and,

WHEREAS, the existing Southbound On-Ramp is physically separated from the City's residential tracts by a railroad right of way; and,

WHEREAS, access from the City's residential tracts to the existing on ramp can only be gained via a single railroad underpass; and,

WHEREAS, said railroad underpass is prone to closure due to flooding or vehicle accidents, thereby isolating the City's highway commercial and industrial tracts from the rest of the community; and,

WHEREAS, a closed underpass does not permit the free circulation and timely response of Soledad emergency units throughout the City; and,

WHEREAS, The City Council of the City of Soledad deems the construction of a Southbound Highway 101 On-Ramp north of the City a necessary public safety improvement for the Soledad community; and,

WHEREAS, at the request of the City Council of the City of Soledad the California Department of Transportation will consider the construction of a second Highway 101 Southbound On-Ramp.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF SOLEDAD DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the City Council of the City of Soledad requests the construction of a Southbound Highway 101 On-Ramp north of the "North Soledad Overhead"

(5-Mon-101-62.90+) by the California Department of Transportation.

Section 4. That the Mayor shall sign and the Clerk shall attest to the adoption of this Resolution.
