

RESOLUTION NO. 1907

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SOLEDAD
DECLARING WEEDS AND REFUSE UPON OR IN FRONT OF
CERTAIN PARCELS OF REAL PROPERTY TO BE A
PUBLIC NUISANCE

BE IT RESOLVED by the City Council of the City Council of the City of Soledad, as follows:

Section 1. It is hereby found and declared that noxious or dangerous weeds, of a seasonal and recurrent nature, are growing on, in front of, and/or behind certain parcels of real property in the City of Soledad. A particular description of said parcels is hereunto attached, marked "Exhibit A", and by reference made a part hereof.

Section 2. It is hereby further found and declared that said weeds growing on or in front of said parcels of real property, and rubbish, refuse and dirt upon or in front of the same, constitute a seasonal and recurrent public nuisance which must be abated by the removal of said noxious or dangerous weeds, rubbish, refuse and dirt, and that otherwise they will be removed and the nuisance will be abated by the City authorities; that in the case of abatement by the City authorities the cost of such removal, together with costs incurred by the City in enforcing abatement upon the parcels, including investigation, boundary determination, measurement, clerical and other related costs, will be assessed upon the land from or in front of which the weeds, rubbish, refuse and dirt are removed; that upon confirmation such cost will constitute a lien upon such parcel or lands until paid.

Section 3. The City Council will meet and hold a public hearing on May 9, 1989, at the hour of 8:00 p.m., in the Council Chambers at City Hall, 647 Front Street, Soledad, California, for the purpose of hearing and considering objections to the proposed removal of weeds, rubbish, refuse, and dirt from any and all of said parcels.

Page 2

The City Clerk hereby certifies that a notice of the proposed abatement and of said meeting has been mailed to all persons owning property described in this resolution at least five (5) days prior to the date of said meeting in accordance with the provisions of Section 39567.1 of the Government Code. Said notice was prepared and mailed in substantially the following form:

"NOTICE TO DESTROY WEEDS AND REMOVE
RUBBISH, REFUSE AND DIRT"

TO: (Name and address of property owner)

RE: (Description of property by street number and
Assessor's Parcel Number)

NOTICE IS HEREBY GIVEN that on the 9th day of May, 1989, the City Council of the City of Soledad will consider adopting a Resolution declaring that noxious or dangerous weeds growing upon, in front of, and/or behind certain parcels of real property in the City of Soledad, particularly described in said Resolution, and that rubbish, refuse and dirt were upon or in front of said parcels, and that the same constitute a public nuisance which must be abated by the removal of the weeds, rubbish, refuse and dirt. Otherwise they will be removed and the nuisance abated by the City and the cost of removal, together with costs incurred by the City in enforcing abatement upon the parcels, including investigation, boundary determination, measurement, clerical and other related costs, will be assessed upon the land from or in front of which the weeds, rubbish, refuse and dirt are removed, will constitute a lien upon such land until paid.

All property owners having any objections to the proposed removal of weeds, rubbish, refuse and dirt are hereby notified to attend a meeting of the City Council to be held on May 9,

1989, at the hour of 8:00 p.m., in the Council Chambers at City Hall, 647 Front Street, Soledad, California, when their objections will be heard and given due consideration.

At the conclusion of said hearing, the City Council will consider the issuance of an order directing the Superintendent of streets to abate the nuisance by having the weeds, rubbish, refuse and dirt removed.

Before the Superintendent arrives, any property owner may remove the weeds, rubbish, and dirt at his or her own expense. Nevertheless, in any case in which an order to abate is issued, the City Council may further order that a special assessment and lien be imposed pursuant to Section 39577 of the Government Code. In that case the assessment and lien shall be limited to the costs incurred by the City in enforcing abatement upon the parcels, including investigation, boundary determination, measurement, clerical and other related costs.

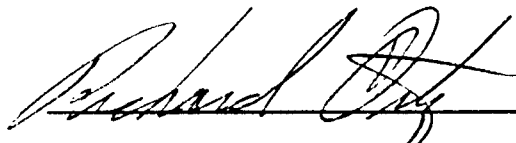

Dated this 9th day of May, 1989.
