## PROJECT DESCRIPTION

Soledad Taxi is a one vehicle demand responsive system. Service is provided with a seven passenger Ford Mini-Van.

Soledad Taxi serves all residents within Soledad for trips within Soledad regardless of trip purpose. Trips are also served without regard to trip purpose for trips originating or destined to the county unincorporated area within 1.5 miles of Soledad, the Mission, and Soledad Prison. Some intercity trips are provided for medical appointments only and the full cost of the trip is charges, not the standard fare.

Soledad Taxi is operated by the City utilizing City staff for dispatching and driving.

Since Soledad Taxi is demand responsive, it can be particularly helpful to the elderly and handicapped. Door-to-door service is provided and assistance in boarding and exiting is available.

Soledad Taxi does not have any special equipment to provide for wheelchair users. However, Monterey County Rides (MCR) program is wheelchair accessible and will provide rides for wheelchair users.

Monterey County Rides provides demand responsive transportation primarily for the handicapped/disabled and individuals who are 60 years of age and older. A more thorough description of the coordination between Soledad Taxi and MCR is found in Part 7 of this application.

This grant is for Operating Assistance for the 1992/1993 Fiscal Year.
