- (4) Tie votes for City and District elections are resolved by lot according to Elections Code §15651 and §10551. In lieu of resolving a tie vote by lot the District/City may resolve a tie vote by the conduct of a special runoff election, pursuant to §15651 (b). A special runoff election shall be held only if the legislative body adopts the provisions of this code prior to the conduct of the election. If a legislative body decides to call a special runoff election in the event of a tie vote, all future elections conducted by that body shall be resolved by the conduct of a special runoff election, unless the legislative body later repeals the authority for the conduct of a special runoff election.

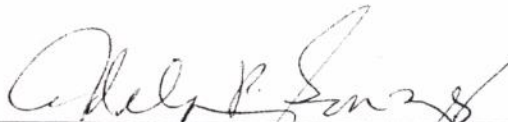

To conduct a tie vote by special runoff election for this election and all future elections, check here.
