

RESOLUTION NO. 4331

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SOLEDAD DIRECTING STAFF TO CLOSE OUT THE US 101 CORRIDOR STUDY

WHEREAS, the City retained Omni Means to perform the US 101 Corridor study in 2005; and

WHEREAS, the consultant has produced and Caltrans has approved the traffic forecasts for 2035 using the approved AMBAG traffic model; and

WHEREAS, the consultant has also analyzed the traffic operations of US 101 and the four interchanges and Caltrans has approved the analysis; and

WHEREAS, the combined study has served its purposes in predicting future transportation improvements that may be required when the City builds out the adopted General Plan and the sphere of influence, and provides sufficient information to potential developers; and

WHEREAS, if there is any proposed development, the developers can use this study results in evaluating traffic impacts from the development.

NOW THEREFORE, BE IT HEREBY RESOLVED that the City Council of the City of Soledad receive the traffic forecasts and operation analysis results and direct staff to close out the US 101 Corridor Study.

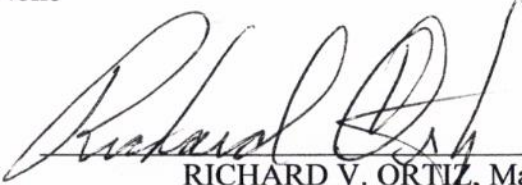

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Soledad duly held on the 7th day of January 2009, by the following vote:
