INTENTION TO LEVY AND COLLECT ANNUAL ASSESSMENTS WITHIN
RANCHO SAN VICENTE PARKS AND OPEN SPACES MAINTENANCE
ASSESSMENT DISTRICT FOR FISCAL YEAR 2009/2010, AND SETTING A TIME
AND PLACE FOR A PUBLIC HEARING**

The City Council of the City of Soledad, California (hereinafter referred to as the "City"), does resolve as follows:

WHEREAS, the City Council of the City of Soledad has, by previous Resolution number 3283, formed the Rancho San Vicente Parks and Open Spaces Maintenance Assessment District (hereinafter referred to as the "District"), pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500* (hereinafter referred to as the "Act") and as provided by Article XIII D of the California Constitution, to levy and collect assessments against the lots or parcels of land within such district to pay for the costs and expenses of operating, maintaining and servicing improvements and facilities located within public places within the boundaries of the District; and,

WHEREAS, the District and the associated assessments are in compliance with the provisions of the Act and California Constitution Article XIID; and,

WHEREAS, staff has prepared and filed with the City Clerk of the City of Soledad the "Engineer's Annual Levy Report, Rancho San Vicente Parks and Open Spaces Maintenance Assessment District" and recommend approval of such report;

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL OF THE CITY OF SOLEDAD FOR THE RANCHO SAN VICENTE PARKS AND OPEN SPACES MAINTENANCE ASSESSMENT DISTRICT AS FOLLOWS:

Section 1 The City Council hereby (1) finds that the public interest and convenience requires and (2) declares its intention to order the approval for the levy and to collect assessments against the assessable lots and parcels of land within such District for that portion of the fiscal year commencing July 1, 2009 and ending June 30, 2010 to pay the costs and expenses of the improvements described in Section 2. The City Council in subsequent fiscal years may thereafter impose the assessment at any rate or amount that is less than or equal to the amount authorized for each fiscal year, increased each year based upon an established Assessment Range Formula that provides for reasonable increases and inflationary adjustments to the annual assessments. The District provides for an annual adjustment to the Maximum Assessment Rate per EFSU (equivalent single family unit) of three percent (3%). Generally, if the proposed annual assessment for the current fiscal year is less than or equal to the calculated Maximum Assessment, then the proposed annual assessment is not considered an increased assessment. The Maximum Assessment is equal to the initial assessment (approved by property owners within the District) adjusted annually by three percent (3%).

Section 2 The improvements within the District include: the maintenance and operation of and the furnishing of services and materials for landscape maintenance easement areas including open space areas, parkways, and slopes within the boundaries of the District, including, but not limited to trees, shrubs, turf and other ornamental vegetation, drainage and irrigation systems, stitch piers; park maintenance and repairs, and sound wall maintenance repairs; and other appurtenant facilities. The Engineer's Annual Levy Report describes all new improvements or substantial changes in existing improvements.

Section 3 The general location and boundaries of the District are shown on maps on file in the office of the City Engineer, are incorporated herein by reference, and open to public inspection. The designation of the District is as follows: Rancho San Vicente Parks and Open Spaces Maintenance Assessment District.

Section 4 Reference is hereby made to the Engineer's Report, on file in the office of the City Clerk and the City Engineer and open to public inspection, for a full and detailed description of the improvements, the boundaries of the District and the proposed assessments upon assessable lots and parcels of land within the District.

Section 5 Notice is hereby given that Wednesday, the 1st day of July, 2009 at 6:30 p.m. in the Council Chambers of the City Hall of the City of Soledad, 248 Main Street, California, is the time and place fixed for a public hearing by the City Council on the question of the levy and collection of assessments for fiscal year 2009/2010 against lots and parcels of land within the District. At the hearing, all interested persons shall be afforded the opportunity to hear and be heard. After said hearing, the City Council shall adopt the 2009/2010 Final Engineer's Report.

Section 6 The City Clerk is hereby authorized and directed to give notice of the public hearing as set forth in Section 5 in accordance with law.

Section 7 The City Council hereby designates the City Engineer, telephone number 831-223-5175 to answer inquiries regarding the hearing, protest proceedings, and procedural or technical matters.

Section 8 Lots or parcels within the District that are owned or used by any county, city, city and county, special district or any other local or regional governmental agency, the State of California or the United States shall be assessed unless the City demonstrates by clear and convincing evidence that such lots or parcels receive no special benefit from the proposed improvements.
