

RESOLUTION NO. 5026

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SOLEDAD
APPROVING THE REHABILITATION OF THE CITY OWNED PACIFIC TEK PV125
VALVE EXERCISER BY PACIFIC TEK IN THE AMOUNT OF \$23,964.00 AND
AUTHORIZING THE CITY MANAGER TO EXECUTE A PURCHASE AGREEMENT
WITH PACIFIC TEK, INC.**

WHEREAS, the City owns a 1999 Pacific Tek PV125 Valve Exerciser; and

WHEREAS, in 2008 the unit started developing mechanical problems and was mothballed; and

WHEREAS, the current State Water Board criteria for valve exercising is that all critical valves shall be exercised annually and remaining valves shall be exercised according to the established schedule (once every three years); and

WHEREAS, quotes ranged for a new valve exercising unit from \$43,000.00 to \$52,000.00 depending on the manufacturer; and

WHEREAS, Pacific Tek can perform rehabilitation of the current PV125 unit for \$23,964.00; and

WHEREAS, other companies that sell and service valve exercisers only work on their own models of valve exercisers and refuse to work on any other manufacturers models of valve exercisers.; and

WHEREAS, Soledad Municipal Code section 3.24.040 provides an exception to the City's usual bidding procedures in sub-section A (3), which allows a sole source purchase "when the commodity, product or equipment can be obtained from only one vendor"; and

WHEREAS, the costs associated with valve exercising were built into the current water rate structure and budgeted for in the adopted Fiscal Year 2014-2015 budget.

NOW THEREFORE, BE IT HEREBY RESOLVED, by the City Council of the City of Soledad as follows:

1. The Council has determined that pursuant to Soledad Municipal Code Section 3.24.040, the City may dispense with its usual bidding procedures for the procurement of equipment (and in this case the labor associated therewith) necessary to rehabilitate the City's Pacific Tek PV125 Valve Exerciser, since the equipment and labor associated with such rehabilitation can only be obtained from a single source.

2. That the Council hereby authorizes the City Manager to execute a Purchase Agreement with Pacific Tek in an Amount not to exceed \$23,964.00 as per the Pacific Tek

attached quote, attached hereto as Exhibit "A," for the rehabilitation of the Pacific Tek PV125 Valve Exerciser.

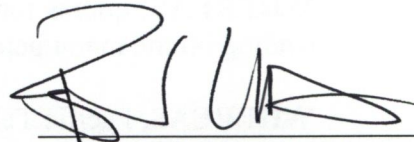

PASSED AND ADOPTED by the City Council of the City of Soledad at a regular meeting duly held on the 5th of November, 2014 by the following vote:

AYES, and in favor thereof, Councilmembers: Christopher K. Bourke, Richard J. Perez, Patricia D. Stephens, Mayor Pro Tem Alejandro Chavez and Mayor Fred J. Ledesma

NOES, Councilmembers: None.

ABSENT, Councilmembers: None.

ABSTAIN, Councilmembers: None.

FRED J. LEDESMA, Mayor

Mr. Gamaliel Romero
 City of Soledad – Water Dept

Dear Gamaliel,

Listed below is the description and pricing on the unit as you requested.

Model PT-13LR long reach valve operator. This hydraulically driven unit can extend away from the vehicle 13 ft. to the rear or curbside of the vehicle to open and close underground gate valves. It is capable of from 50 to 800 ft. lbs. of torque and rotates from 0 to 40 RPM. Controls include: electronic revolution counter & torque indicator, adjustable torque control, directional control, and a speed control. Unit can be easily positioned and locked hydraulically via lock/unlock buttons.

Price: _____ \$13,980.00

Fabrication of mounts and supports to hold the PT13 valve operator and a latching travel rest for the unit.

Price: _____ \$ 925.00

Upgrades and repairs to your current PV-100 Power-Vac which includes replacement of vac filter housing with new style EZ-clean unit. We will also replace dry rotted or damaged hoses and supply a new filter element as well as clean up entire unit on trailer.

Price: _____ \$1,775.00

Installation This consists of removal of old operator and separation of hydraulic system from it re-installing the hydraulics and hoses to new unit. It also includes mounting the new operator and accessories

Price: _____ \$ 950.00

If you purchase the above and bring your trailer to us we will deliver it back to you on our travel schedule and conduct operation and maintenance training when it's completed.
