

RESOLUTION NO. 5341

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SOLEDAD
DECLARING SURPLUS EQUIPMENT AND AUTHORIZING THE SALE, DONATION,
OR DISPOSAL OF SUCH PROPERTY**

WHEREAS, Government State Code Section 37350 - 37351 provides for the ability of cities to dispose of property for the common benefit of the City; and

WHEREAS, the City of Soledad has accumulated material that is either obsolete, outdated or is no longer of use to the City and thus is considered surplus property; and

WHEREAS, the value, obsolescence and condition of these items make it impractical to trade the same in on future purchases of new inventory items, and to obtain maximum return for said surplus items, and as such, it is in the best interest of the City to sell, donate or dispose of the same; and

WHEREAS, the City Council of the City of Soledad has in the past declared obsolete, outdated or property no longer of use to the City as surplus property and authorized that the property be sold, destroyed or donated to other agencies for use; and

WHEREAS, Staff recommends one electric vehicle to be donated to the Soledad Cemetery District instead of being auctioned; and

WHEREAS, Staff has compiled a list of surplus equipment **Exhibit A** and is recommending that the Council deem the list as surplus property and direct staff to hold an auction to sell such property.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Soledad as follows:

1. Based upon the findings and recommendations of City Staff, the items of inventory belonging to said City as shown in Exhibit "A", attached hereto, are declared surplus to the foreseeable needs of the City.
2. That it is deemed to be for the common benefit of the residents of said City to dispose of said inventory by sale, donation or other appropriate means.

PASSED AND ADOPTED by the City Council of the City of Soledad at a regular meeting duly held on the 4th day of October, 2017 by the following vote:
