### Section 3. Specific Planning Actions

- i. *The City will maintain existing barriers at the easterly terminus of the following City streets: Santa Clara Street, San Antonio, and Gabilan Drive, for the purpose of preventing access to the County maintained portion of Bryant Canyon Road. At the time the vacant parcels that are adjacent to said streets are developed, the City shall require installation of long-term permanent barriers to prevent access to the County maintained portion of Bryant Canyon Road. The City will have the responsibility to determine the type and manner of the access barriers to be placed. The barriers shall be located within the city limits and outside the County road right-of-way. The City will also be responsible for maintaining the barriers.*
- j. *The City agrees to annex that portion of Bryant Canyon Road running from the city limits northerly to the 90 degree turn to the east, being approximately 1.3 miles north of Metz Road, by including proposal-adjacent segments of Bryant Canyon Road, and any other segments of said portion of Bryant Canyon Road whose inclusion conforms to LAFCO requirements, as part of any subsequent annexation proposal in this area. At the time the City annexes said portion of Bryant Canyon Road, the County of Monterey agrees to abandon any existing rights or easements that prohibit access to said road portion.*
